**OUR 26th ANNUAL PARADE DEDICATED TO
"THE WOUNDED WARRIORS PROJECT"**

Dear Group Leader:

We are honored to have this years parade dedicated to the "Wounded Warriors Project"...all those who gave unspeakable sacrifices in defending our nations freedom and to keep our country secure.

Please join us in honoring them by marching in the 26th Annual Ocean County St. Patrick's Day Parade which will be on Saturday, March 13, 2010 at noon on the Boulevard in Seaside Heights, with a rain date for Sunday March 14, 2010

This is a great opportunity for your group to showcase their talent, heritage, and patriotism in honoring these brave Americans and to support our wounded veterans.

We will be stepping off promptly at noon on the Boulevard in Seaside Heights, NJ. Last year Champion Bagpipe Bands, Champion Drum and Bugle Corps, award winning Mummer Bands and the best High School Bands available marched among our 25 musical groups.

Please indicate below if you plan to march with us on parade day. PLEASE RESPOND ASAP.

Thanks.
